

MARATHON RALLY CAR SHOW

featuring the 50th anniversary of
the **1974 UDT London - Sahara - Munich World Cup Rally**

British Motor Museum, Gaydon, on Sunday 21st April 2024

The Historic Marathon Rally Group (HMRG) is an unfunded and voluntary organisation run by a committee of enthusiasts who aim to reunite historic cars and their crews from the era of Marathon Rallies and Classic Car Endurance events.

The HMRG attends various classic car events throughout the year, with Marathon cars displayed by those who are members of our informal network.

Anniversary events are held from time to time to bring enthusiasts and their vehicles together.
